LETTER OF APPRECIATION

We entrusted the job of Renovation and Overhauling of our Sucker Muller Sizing Machine to you, the PRISM TEXTILE MACHINERY PVT. LTD., Ahmedabad. You took total responsibility of replacement of old DC Drives, DC Motors, Gear Boxes, PLC etc with latest LENZE AC Drives, AC Motors, Gear Boxes, Siemens PLC, complete compact Panel Board, Touch Screen operator Display etc. Also, you assured us to hand over the machine in excellent working condition after overhauling all the mechanical, Electrical and Electronic gadgets.

You did very good job and you kept up your promise to handover the machine in excellent condition. In the presence of your Service Engineers, we took several trials to size various Dyed Yarn Warp sets and **the results are very much satisfactory. We are very happy at that!!!**

We wish to congratulate your company, team of Engineers and you, in particular for the spectacular achievement in giving new life to our Sucker Muller Sizing machine, which was kept stopped for nearly four years.

We are very happy and wish to express our great Appreciation to you, your company and team of Engineers.

For Arthanari Loom Centre (Textile) Pvt. Ltd.,

A. ALAGARASAN
